THE SYSTEM

T Systems Let's power
higher performance

Option 1

Go into **Co-Creation** with us. Develop a prototype for a common challenge.

01

Your invest per contact:

- About 2h-4h per week per contact (until May 16th, remote)
- Ideate solutions at the Ideation Day (April 20th, Bonn)
- Present solutions at the Innovation Day (May 16th, Bonn)

02

Our invest for up to seven topics:

- Facilitating the Co-Creation process
- Development of a prototype

03

How are the topics chosen?

The 7 topics with the most support (contacts)

04

Final feedback of your contacts:

March 10th (e.o.b.); we will then communicate the final list.

Option 2

Share
your knowledge
with the **community**.
Interact in remote
sessions.

01

Your Invest per contact:

- Share knowledge in a session (until May 16th)
- 1h preparation of the session (remote)
- 1h execution of the session (remote)

02

Our invest:

- Organizing the complete set-up
- Moderating the remote session
