

OPEN TRACK

International Conference on Resilient Systems

ICRS 2026 Delft, the Netherlands, 23-25 March, 2026

INTRODUCTION TO THE TRACK

The objective of this track is to facilitate the submission of manuscripts that delve into subjects beyond the purview of the primary tracks. We particularly welcome submissions that introduce and scrutinize emerging and cross-disciplinary themes.

TYPE OF CONTRIBUTIONS:

1. **Call for Extended Abstracts** (1.000 words) - see website for the template.

TRACK CHAIR AND CO-CHAIR

The open track will be reviewed by the [Scientific Organizing Committee of the ICRS'26](#).
