

		ANTERIOR/CENTRAL	LATERAL/POSTERIOR	MISCELLANEOUS	MISCELENEOUS
Thursday 4 December 2025					
07.00 - 07.30	REGISTRATION				
07.30 - 07.45	EXHIBITION	Free Papers	Free Papers	Free Papers	Free Papers
07.45 - 08.00		Round Table Pituitary Gland - Treatment Update		Round Table	Instructional Course The surgical anatomy of petrous bone and lateral cranial base
08.00 - 08.15					
08.15 - 08.30					
08.30 - 08.45		East Europe SBS - session Vestibular Schwannomma Diagnostic and Treatment update	Instructional Course The surgical anatomy of posterior cranial base		
08.45 - 09.00					
09.00 - 09.15					
09.15 - 09.30		Round Table Extrasellar Pituitary Lesions - Treatment update	Round Table	Instructional Course Endoscopic surgical anatomy of anterior cranial base	
09.30 - 09.45					
09.45 - 10.00					
10.00 - 10.30	COFFEE BREAK				
10.30 - 10.45	EXHIBITION	Round Table Giant Pituitary Adenoma - Above, Below....or both?	Round Table Evaluation and Management of Intralabyrinthine Schwannomas	Round Table Transorbital approach to cranial base	Instructional Course Endoscopic surgical anatomy of Pterygoid fossa and upper parapharyngeal space
10.45 - 11.00					Instructional Course Endoscopic Endonasal Posterior Cranial Fossa Anatomy
11.00 - 11.15					Instructional Course Surgical anatomy of parapharyngeal space
11.15 - 11.30					
11.30 - 11.45		Round Table Benign Sellar Lesions - How to approach the Challenge?	Round Table Hearing Preservation and Rehabilitation in Vestibular Schwannoma Surgery Update & Perspectives	Round Table Transorbital Neurosurgical Approach	Instructional Course Endoscopic Surgical Anatomy of the Orbit
11.45 - 12.00					
12.00 - 12.15					
12.15 - 12.30					
12.30 - 13.30	LUNCH				
13.30 - 13.45		Round Table Clival Chordoma/Chindrosarcoma . Surgical Update	Round Table Hearing implants in cranial base surgery	Round Table Around the Orbit	Round Table Cranial Base & Craniocervical Junction Trauma
13.45 - 14.00					
14.00 - 14.15					
14.15 - 14.30					
14.30 - 14.45		Round Table Recurrent Chordoma/Chondrosarcoma - What can be done?	Round Table Intraoperative monitoring in lateral & posterior cranial base surgery	Round Table Pedriatic Orbit	Round Table Craniofacial war injuries
14.45 - 15.00					
15.00 - 15.15					
15.15 - 15.30					
15.30 - 16.00	COFFEE BREAK				
16.00 - 16.15		Round Table Olfactory Groove Meningeoma - What is Evidence based?	Round Table Jugular Foramen paragangliomas - treatment dilemmas	Round Table Orbital Reconstruction	Round Table Skin Cancer involving Cranial Base
16.15 - 16.30					
16.30 - 16.45					
16.45 - 17.00					
17.00 - 17.15		Round Table Tuberculum Meningeoma - What is Evidence Based?	Round Table Nonvascular jugular foramen lesions: treatment update	Round Table Pediatric Cranial Base Surgery	Round Table Surgery Of Parapharyngeal Space - State of the Art
17.15 - 17.30					
17.30 - 17.45					
17.45 - 18.00					
18.00 - 18.15		FAREWELL HOT TOPIC Chordoma - to operate or not to operate?	FAREWELL HOT TOPIC Giant paragangliomas: why and when to operate “inoperable Cases?”	FAREWELL HOT TOPIC Orbital Egzenteration in Cranial Base Malignancies- is it a necessity?	FAREWELL HOT TOPIC Meningeoma - To Watch, Operate or Irradiate
18.15 - 18.30					
19.30 - 23.00	EVENING AT LEISURE				

Friday 5 December 2025		Judita Hall	Tena Hall	Pomet Hall	Krsto Hall				
07.00 - 07.30	REGISTRATION								
07.30 - 07.45	EXHIBITION	Free Papers	Free Papers	Free Papers	Free Papers				
07.45 - 08.00		Round Table Invasive Fungal Sinusitis - Diagnostic & Treatment Update	Round Table Lateral & Posterior CSF leak repair		GSBS session Materials in Cranial Base Reconstruction	Instructional Course Subtotal Petrosectomy: How and why I do it			
08.00 - 08.15						Instructional Course Total Petrosectomy			
08.15 - 08.30				Round Table Benign Sinonasal Tumors		Round Table Diagnosis and Treatment of CPA & Jugular Foramen Lesions	Instructional Course Surgery of malignant temporal bone tumors		
08.30 - 08.45							Instructional Course Surgery of PCA		
08.45 - 09.00									
09.00 - 09.15									
09.15 - 09.30									
09.30 - 09.45									
09.45 - 10.00									
COFFEE BREAK									
10.00 - 10.30	EXHIBITION	Round Table ITAC - Treatment Update & Perspectives	Round Table Posterior fossa meningiomas	ASEAN SBS session Nasopharyngeal Cancer Update - Treatment Strategy and Future Challenges	Instructional Course Surgery of petrous apex lesions				
10.30 - 10.45					Instructional Course Surgery of petroclival region				
10.45 - 11.00					Instructional Course Endoscopic posterior cranial base surgery				
11.00 - 11.15					Instructional Course Surgery of Jugular Foramen				
11.15 - 11.30		Round Table Sinonasal SCC - Treatment Update & Perspectives	Round Table Petroclival menigeoma - treatment dilemmas						
11.30 - 11.45									
11.45 - 12.00									
12.00 - 12.15									
12.15 - 12.30									
LUNCH									
12.30 - 13.30	EXHIBITION	Round Table Adenoid Cystic Carcinoma - Treatment Update & Perspectives	Round Table Malignant temporal bone tumors	Round Table A.I. in Cranial Base practice and training	Round Table Head & Neck Surgery				
13.30 - 13.45						Round Table Sinonasal Malignancies: Open vs Endoscopic - is it really vs and where are Threshold and Limits !?	Round Table Lateral & Posterior Skull Base Malignancies: Pushing the limits for an R0 resection	Round Table Sinonasal Melanoma Treatment Update	Round Table Free Flaps in Cranial Base Reconstruction
13.45 - 14.00									
14.00 - 14.15									
14.15 - 14.30									
14.30 - 14.45									
14.45 - 15.00									
15.00 - 15.15									
15.15 - 15.30									
COFFEE BREAK									
15.30 - 16.00	EXHIBITION	Round Table Surgical approach to Craniopharyngeoma - Treatment Update & Perspectives	Round Table ACI management in posterior & lateral cranial base surgery	Round Table Sarcomas with Cranial Base Involvement: Treatment Update - what is evidence based and what could be Future?	Round Table Free Flaps vs Axial Flaps in Cranial Base Reconstruction				
16.00 - 16.15						Round Table Craniopharyngeoma Nonsurgical Treatment Update & Perspectives	Round Table Cholesterol Granuloma: endoscopic or open - can we solve the puzzle?		Round Table
16.15 - 16.30									
16.30 - 16.45									
16.45 - 17.00									
17.00 - 17.15		FAREWELL HOT TOPIC Endoscopic Cranial Base Reconstruction - what is evidence based?	FAREWELL HOT TOPIC Recurrent Temporal bone Carcinoma after surgery and radiotherapy - is there any hope for cure?	FAREWELL HOT TOPIC Recurring Nasopharyngeal Carcinoma - is it treatable?	FAREWELL HOT TOPIC AI in Cranial base pathology - Threat or Blessing?				
17.15 - 17.30									
17.30 - 17.45									
17.45 - 18.00									
18.00 - 18.15									
18.15 - 18.30									
19.30 - 23.00	CONGRESS DINNER								

Saturday 6 December 2025		Judita Hall	Tena Hall	Pomet Hall	Krsto Hall
07.00 - 07.30	REGISTRATION				
07.30 - 07.45	EXHIBITION	Free Papers	Free Papers	Free Papers	Free Papers
07.45 - 08.00		Round Table Endoscopic Surgical Approach to Lower Clivus and Foramen magnum	Round Table Controversies in Management of Superior Semicircular Canal Dehiscence	Round Table Minimally invasive Neurosurgical approach to Cranial Base	Instructional Course Posterior Cranial Base Reconstruction
08.00 - 08.15					Instructional Course Endoscopic transcribriform Surgery
08.15 - 08.30					Instructional Course Endoscopic transclival Surgery
08.30 - 08.45					Instructional Course Endoscopic transpterygoid Surgery
08.45 - 09.00		Round Table Olfactory Neuroblastoma Treatment Update	Round Table Management of Endolymphatic Sac Tumors		
09.00 - 09.15					
09.15 - 09.30					
09.30 - 09.45					
09.45 - 10.00					
10.00 - 10.30 COFFEE BREAK					
10.30 - 10.45	EXHIBITION	Round Table Multidisciplinary Management of sinonasal malignancies	Round Table Neurovascular Compression Syndromas - Evaluation & Treatment	Round Table Sphenoorbital Meningeoma	Instructional Course Endoscopic anterior Cranial Base Reconstruction
10.45 - 11.00					Instructional Course Open anterior Cranial Base Surgery
11.00 - 11.15					
11.15 - 11.30					
11.30 - 11.45		Round Table Collaborative Research in Sinonasal Cancer: where are we now and to where are we going?	Round Table Surgical approach to petroclival region	Round Table Customized 3D Printed Implants in Cranial Base Reconstruction	Instructional Course Reconstruction in open anterior Cranial Base Surgery
11.45 - 12.00					Instructional Course Meningiomas: clinical mysteries and molecular insights
12.00 - 12.15					
12.15 - 12.30					
12.30 - 13.30 LUNCH					
13.30 - 13.45	EXHIBITION	Round Table CSF Leaks: Spontaneous vs Traumatic - Treatment update	Round Table Complications in the Surgery of lateral & posterior cranial Fossa Prevention, Detection & Treatment	Round Table New Materials and Technologies in Cranial Base Surgery	Round Table When It All Goes Wrong: Rhinologic Emergencies Associated with Endoscopic Sinus and Endoscopic Skull Base Surgery
13.45 - 14.00					
14.00 - 14.15					
14.15 - 14.30					
14.30 - 14.45		Round Table Worst Vascular Complications - How to prevent, detect and treat them?		Round Table Quality of life after Cranial Base Surgery	Round Table Ethical and legal Considerations and Malpractice in Cranial Base Surgery
14.45 - 15.00					
15.00 - 15.15					
15.15 - 15.30					
15.30 - 16.00 COFFEE BREAK					
16.00 - 16.15	EXHIBITION	Round Table Complications of Anterior Cranial Base Surgery	Round Table	Round Table Hybrid and Multiportal Surgical Approaches to Cranial Base - New Territories and New Perspectives	Round Table
16.15 - 16.30					
16.30 - 16.45					
16.45 - 17.00					
17.00 - 17.15		Round Table Sinonasal Malignancies - When to operate and when not to operate?	Round Table	Round Table	Round Table Managing late Sequelae of Cranial Base Multimodal Therapy
17.15 - 17.30					
17.30 - 17.45					
17.45 - 18.00					
18.00 - 18.15		FAREWELL HOT TOPIC Endoscopic Cranial Base resection - Do we know what we are talking about at all?	FAREWELL HOT TOPIC	FAREWELL HOT TOPIC	FAREWELL HOT TOPIC Endoscopic Lateral & Posterior Cranial Base Surgery - Myth or Reality?
18.15 - 18.30					
18.30 - 18.45					
WRAP UP & FAREWELL
