April 2022

Dear EAOPD member,

Unfortunately, due to some problems with Belgrade hotels, the Board had to find a new location for the venue.

We announce that our coming congress titled “**Orofacial Pain in Children & Adolescents**” will take place in **Naples, Italy** in **September 2-3d 2022** in the luxurious Renaissance Hotel Mediterraneo (Marriott).

Hotel reservation is to be done through the EAOPD website at:
<https://www.eaopd.org/131642/wiki/722793/hotel-booking>.

Please, **book in time**, hotel rooms have been reserved for the venue and are available for reservation at a special rate until **May 31st**. After that date you will have to find a room in a hotel nearby.

Have a look at the congress program and register on our updated website:

Looking forward to meet you in Naples,

I wish you wonderful Easter holidays and warm regards,
