

Farewell symposium Prof. Frans P.M. Cremers 12 September 2025

Retinal Diseases: More than Meets the Eye

Symposium: 13.00 – 17.00

Location

Experience Center, Radboudumc, Geert Grooteplein Noord 15, Nijmegen

13:00 – 13:05	Welcome <i>Rob Collin & Susanne Roosing, Radboudumc, Nijmegen</i>
13:05 – 13:25	A patient perspective on retinal disease genetics <i>Christina Fasser, Retina International, Zurich</i>
13.25 – 13:55	A 30-year journey from retinal gene discovery to therapeutics <i>Rob Koenekoop, McGill University, Montreal</i>
13.55 – 14:15	From Stargardt to start-up <i>Carel Hoyng, Radboudumc, Nijmegen</i>
14.15 – 14:45	Solving retinal disease with Prof. Cremers <i>Rando Allikmets, Columbia University, New York</i>
14.45 – 15.15	Break coffee/tea
15.15 – 15:45	The life of 5'-TTCAGGGCTAACAGTCCTATGTGTAGAGAAATGGAGCGAAGT-3' <i>Susanne Roosing & Rob Collin, Radboudumc, Nijmegen</i>
15.45 – 16:15	A visionary odyssey from retinal gene mapping through multiomics and back <i>Elfride de Baere, University of Ghent, Gent</i>
16.15 – 17:00	Back to the future: lessons learned <i>Frans Cremers</i>
17.00 – 18.00	Reception
