

ESDPPP 2025 – Preliminary Scientific Programme

Tuesday 24 June 2025 – Pre-conference workshop

Auditorium

08:30 Registration

09:00 **Welcome**

Prof. Saskia de Wildt, Radboud University Medical Center (NL)

09:15 **Pharmacokinetics**

Prof. Pieter de Cock, Ghent University Hospital (BE)

09:45 **Paediatric Pharmacology**

Prof. Anne Smits, UZ Leuven (BE)

10:15 **Obstetric Pharmacology**

Dr. Rick Greupink, Radboud University Medical Center (NL)

10:45 Coffee Break

11:00 **Paediatric drug formulations**

Dr. Viviane Klingmann, Heinrich Heine University Düsseldorf (DE)

11:30 **Pharmacovigilance/safety**

Speaker: to be confirmed

12:00 Lunch

12:45 **Workshops - breakout rooms**

**Workshop Paediatrics –
Auditorium**

How to design a paediatric
trial

Prof. Anne Smits

Dr. Viviane Klingmann

**Workshop Obstetrics -
breakout room 1**

How to study drugs in
pregnancy

Dr. Rick Greupink

Hedwig van Hove

Dr. Marleen van Gelder

**Workshop pharmacology for
clinicians - breakout room 2**

How to study drugs in
pregnancy

Dr. Robert Flint

Dr. Violette Gijsen

Prof. Pieter de Cock

14:15 Coffee Break

14:30 **Workshops – breakout rooms**

**Workshop Paediatrics –
Auditorium**

Prof. Anne Smits

Dr. Viviane Klingmann

**Workshop Obstetrics -
breakout room 1**

Dr. Rick Greupink

Hedwig van Hove

Dr. Marleen van Gelder

**Workshop pharmacology for
clinicians - breakout room 2**

Dr. Robert Flint

Dr. Violette Gijsen

Prof. Pieter de Cock

16:00 Coffee Break /Feedback workshops 1/2

Dr. Robert Flint, Erasmus MC (NL)

17:30 **Closure – departure to informal dinner Hotel Rebyl**

Wednesday 25 June 2025 – Congress day 1

Auditorium

- 08:30 **Registration**
- 09:00 **Finding the 'drug'**
Welcome
Conference Chair – Prof. Saskia de Wildt, Radboud University Medical Center (NL)
- 09:15 **Keynote: Innovative Therapy for Metabolic Diseases**
Prof. Sabine Fuchs, UMC Utrecht (NL)
- 10:00 **RNA Therapy for Inherited Diseases: towards the prevention of blindness**
Prof. Rob Collin, Radboud University Medical Center (NL)
- 10:20 **Drug discovery, paediatric gastrointestinal disease as example**
Prof. Sven IJzendoorn, University Medical Center Groningen (NL)
- 10:40 **Coffee Break**
- 11:00 **From the lab to the dose**
Abstract presentations
- 11:40 **Developmental Pharmacology**
Prof. Bhagwat Prasad, Washington State University (USA)
- 12:00 **Animal Models for In Vivo Lactation Studies**
Dr. Domenico Ventrella, Alma Mater Studiorum - Università di Bologna, (IT)
- 12:30 **Lunch**
- 13:00 **Posters**
- 14:00 **Getting the dose right**
Abstract presentations
- 15:00 **Coffee Break**
- 15:20 **Neonatal/paediatric pharmacokinetics**
Speaker: to be confirmed
- 15:40 **Obstetric PK**
Dr. Karen Yeo, SIMCYP, Sheffield (UK)
- 16:00 **Pro/Con: do we need more PK or can we extrapolate?**
Prof Catherijne Knibbe (presentation), University Leiden (NL)
Dr. Verena Gotta (presentation), University Basel (CH)
Dr. Pavla Pokorna (panel), Charles University Prague (CZ)
Prof. Pieter de Cock (panel), Ghent University Hospital (BE)
- 17:00 **ESDPPP working groups**
- 17:30 **General Assembly**
- 19:00 **Dinner at the “Pannenkoekenboot”**

Auditorium

Does it work?

- 09:00 **Paediatric extrapolation**
Speaker: to be confirmed
- 09:20 **Olexisome for SMA**
Speaker: to be confirmed
- 09:40 **Beneficial MIPD Vanco**
Prof. Pieter de Cock, Ghent University Hospital (BE)
- 10:00 **Keynote, AI aided Knowledge Discovery**
Prof. Rens van de Schoot, University Utrecht (NL)
- 10:30 **Coffee Break**

11:00 **Is it safe?**

- Abstract presentations
- 11:30 **Microdosing in pregnancy**
Speaker: to be confirmed
- 11:50 **Drug safety in pregnancy and lactation**
Dr. Marleen van Gelder, Radboud University Medical Center, Nijmegen (NL)
- 12:10 **Drug safety in Neonates**
Prof. Karel Allegaert, University Leuven (BE)

12:20 **Lunch**

13:00 **Posters**

From formulation to registration

- 14:00 **A joined presentation on the LENA project: from formulation to market authorization**
Prof. Stephanie Laer
Prof. Joerg Breitzkreutz
Peter McBride
- 14:45 **Abstract presentations**
- 15:15 **Coffee Break**

Regulatory challenges

- 15:35 **Conect4children: innovative trial design and smooth trial operations**
Paediatric expert advice
Prof. Mark Turner, c4c-S, University Liverpool (UK)
- 15:50 **Benefit-risk in pregnancy and lactation, the regulator's view**
Speaker: to be confirmed
- 16:10 **Industry's view**
Speaker: to be confirmed
- 16:30 **Excursion to Anatomical Museum or Laboratories**
- 18:00 **Closure**
- 19:00 **Congress dinner party at "De Vereeniging"**

Friday 27 June 2025 – Congress Day 3

Auditorium

Use in practice/implementation

- 09:15 **Keynote: Antithrombotic therapy in pregnancy**
Prof. Saskia Middeldorp, Radboud University Medical Center, Nijmegen (NL)
- 09:45 **Abstract presentations**
- 10:45 **Coffee Break**
- 11:00 **Paediatric Formularies**
Speaker: to be confirmed
- 11:20 **Obstetric Formulary**
Speaker: to be confirmed
- 11:40 **The case of empagliflozin**
Dr. Terry Derks, University Medical Center Groningen (NL)
- 12:00 **Closure and farewell**
Prof. Saskia de Wildt, Radboud University Medical Center, Nijmegen (NL)
