

Quantitative Systems Pharmacology Conference 2026

Satellite meetings

QSPC2026. We are very happy to host the quadrennial QSPC April 8-10, 2026, in Leiden, the Netherlands. We expect an exciting conference program and ample networking opportunities that will attract a large and international audience from industry, academia, and regulatory, providing a great opportunity to host a satellite meeting or workshop.

Reservation of a satellite meeting venue. To support you organizing a satellite meeting we have identified two suitable venues which are two major hotels where we expect many delegates will be staying. We have reserved several meeting rooms at both hotels for hosting a satellite meeting linked to QSCP2026. If you would like to host a satellite meeting at any of these venues, let us know at gspc@lacdr.leidenuniv.nl and we will put you into contact with the contact person at the venue as well as ensure you can make use of our reservation. Please be aware reservations are only made up to the prespecified dates below.

Please do note that the organizer of a satellite meeting will be responsible for the definitive reservation and will pay directly the invoice to the meeting room venue. The organization of QSPC2026 is not involved in this.

Publication of satellite meeting registration and information on QSPC2026 website. We can publish information about a satellite meeting/workshop on our QSPC2026 website, as well as include a URL to a participant registration/payment form, which is to be arranged by the organizing entity. To provide such workshop information, please contact us at gspc@lacdr.leidenuniv.nl.

Venues

[Hotel Golden Tulip Leiden Centre](#)

Schipholweg 3, 2316 XB Leiden, Netherlands

The Golden Tulip has three meeting rooms suitable for **30–40 people** in theater or cabaret arrangement available on April 7, 8, 10, and 11, 2026. On April 7 and April 11 we reserved full days.
