

INVITATION

19th INTERNATIONAL CONFERENCE ON ADHD

April 18 – 19, 2026 in Berlin, Germany

Dear Friends and Colleagues,

We are delighted to invite you to join us at the 19th International Conference on ADHD, taking place on April 18th & 19th 2026 in Berlin. This year's conference theme will be „**ADHD & Family**“. The focus will explore the inter-generational aspects of ADHD and implications for assessment and treatment.

Our International Conference will bring together distinguished experts, researchers, and practitioners from across the globe to discuss and share the latest advancements, research, and clinical practices in ADHD.

The event will provide an engaging forum to network with peers, explore innovative approaches, and gain insights into family-centered screening, diagnosis, and interventions for managing ADHD across the lifespan.

We would be honored to have your participation at this important gathering and look forward to advancing the field of ADHD care together.

Sincerely yours,

Prof. Dr. Manfred Döpfner

Prof. Dr. Dr. Tobias Banaschewski

Prof. Dr. Alexandra Philipsen

Prof. Dr. Diane Purper-Ouakil
