

Competition rules and requirements

Entry Requirements

- Students eligible for competition must be registered in a course of study at an EFVET member school. Students being temporarily registered in a school in the context of an exchange are not allowed to compete for their host school.
- The age minimum to participate is 18 years and the limit to participate in the competition is 26 years at the moment of the challenge.
- The minimum English level for competing students is B2 (CEFR). All students are required to communicate in English during competition. The organizer is only allowed to provide explanations in English
- For reasons of equity, a student who participated once in a competition during an EfVET-conference is not allowed to register a second time for any competition.

Registration

All sections of the registration forms should be fully and accurately completed and returned to the administrator by the required dates inclusive of full payment. Please note: Only fully completed registration forms will be processed for competitions. The organizers of the competitions will not accept responsibility for the consequences of incomplete or inaccurate registration forms, or those not accompanied by payment.

- Each National board is allowed to enroll a maximum of two students.
- The organizing country is allowed to participate in the competition.

Competition Environment and Organization

- Competitors should present themselves for the competition in appropriate professional clothing or optional in outfits matching the theme.

Competition Specifications

- During the competition the competitors must work in a team of four, the teams will be a mix of different schools and countries.
- The competition should encourage creativity, innovation, communication and teamwork while at the same time presenting the students with sufficient professional challenge.
- The competition specifications must be written in English.
- The marking criteria and marking scheme for each competition must be written in English and will be published when the students are informed about their assignment.
- No changes may be made to the competition specifications, marking criteria and marking scheme.

Judging

The judging will be done by the participants of the EfVET conference. Students will receive feedback and a winner will be chosen using an online voting system. All members in attendance have the opportunity to vote.
