

# Connect Windows Devices To OpenRoaming

The screenshot shows a web browser window at the URL <https://provision.connectionassist.com/wba/>. The page features the OpenRoaming logo (WIRELESS BROADBAND ALLIANCE) and a terms and conditions section. A red arrow points to the checkbox labeled "I accept the OpenRoaming terms & conditions of use and privacy policy.", which is checked. Another red arrow points to a blue button labeled "Download and install profile".

The screenshot shows a Windows dialog box titled "Open Settings?". It contains the text "https://provision.connectionassist.com wants to open this application." and a checkbox labeled "Always allow provision.connectionassist.com to open links of this type in the associated app". A red arrow points to the "Open Settings" button.

The screenshot shows the Windows Settings application, specifically the "Wi-Fi" section. A dialog box titled "Add Wi-Fi network" is overlaid on the screen, showing the network name "WBA OpenRoaming Demo" and SSID "wba.3af521.net". A red arrow points to the "Add" button in the dialog box.
