

HPIM & G&L-EPH CAREER EVENT
15 March 2023

A very warm welcome!

Timo Clemens
GLEPH programme
director

Arianne Elissen
HPIM programme
director

Do you remember...

...starting your master back in September?

And now you will graduate soon...

In between...

- Collaborative / teamwork skills (project work)
- Communication skills (written; oral)
- Managerial skills (executing and managing projects)
- Research skills (research proposal; thesis)
- Leadership skills (discussion leader; training project)
- Planning skills

Employers
expect you to
have these
skills!

...you gained new knowledge and learned new skills

**SO, NOW IT IS TIME
TO MAKE YOU EVEN MORE
EMPLOYABLE**

GIVE A  **BOOST**
**TO YOUR CAREER
IN HEALTHCARE**

Career Event: Aims

To help you prepare for
(re)education

To give you an overview of possible

**To have a nice, enjoyable and unforgettable day together
before the final activities of your master!**

To provide
opportunities

into the
practice of working in the health
domain

BOOST

Visit FHML's Alumni Website and learn more

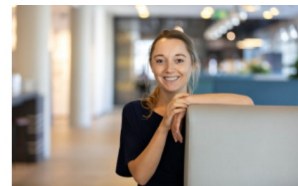

Welcome to the FHML Alumni community.

Are you a (soon) to be graduate from the Faculty of Health, Medicine and Life Sciences? Please stay in touch with us and learn all about what Maastricht University has to offer you after graduation. We hope to see you at one of our events such as the UM Star Lectures or at an informal get-together in your local alumni circle.

Are you interested in our lifelong development learning opportunities? Be sure to check out what FHML, in collaboration with the School of Health Professions Education, has to offer for healthcare professionals.

Also, don't forget to update your data [via this questionnaire](#) in order to stay in touch.
